

Tuition-Free Highway Construction Training

Sept 16 – Oct 1, 2024

Mon - Friday, 9am - 4pm

Looking for a career with better pay?

Attend our Highway Construction Trade Academy

The primary objective is to increase participation in the highway construction industry and increase training opportunities for men, women, minorities and disadvantaged individuals, reduce barriers to employment and build new skills.

This is a 2-week training which will include the following:

- Work Readiness
- Journey from Application to Interview
- Flagger/Forklift
- Osha/Hazmat
- Hands on Training
- Job interviews with local Construction companies

***** Must commit to attending the entire 2-week training**
