

# Tuition-Free Highway Construction Training

Coming in Spring 2025  
Class will meet Monday - Friday, 9am to 4pm

Highway Construction Trade Academies provide trade skills and resources for career opportunities in the transportation industry.

The primary objective is to increase participation in the highway construction industry and increase training opportunities to reduce barriers to employment and build new skills.

**This is a 4-week training which will include the following:**

- Work Readiness
- Flagger/Forklift Certifications
- Osha/Hazmat Certification
- Heavy Equipment Certification
- Hands-on-Training
- Job interviews with local Construction Companies

**\*\*\* Must commit to attending the entire 4-week training**

To Register: Scan the QR code or visit our website
